 where him would like to be laying top I would not believe him
 close to H a H a. dont her. Now on a stack of Bibles as high as
 listen Mama I will tell her that water tower there at
 what I want her to do I want you home. you can tell them that
 to go to the red cross and tell they have been hitting out men
 them your troubles and make them that was not needed at home
 awful strong to and get them half as bad as I am for some
 to write a letter to the commanding of them are not even married
 general of this out fit and tell and have got plenty besides but
 him that I am badly needed them is the kind that that they
 at home at once. and you must turn loose what have you
 put it to them strong so they found out from old Jim
 will think you are about dead Mabon any thing or not it.
 and will starve if I dont get right looks like he has had plenty of

time to get out Body in the state
back by now. if there has ever been
an order come here about it
it has been throwed in the waste
Basket. but I dont believe there has
ever been one sent here or any place
else. Well Mama I signed the Pay
Roll to say I think we will get
Payed about sat or Monday anyway
and if we do her can look out
for a registred letter for him
will send her some money
for him would spend it if
him kept it here and her can
keep it for him. cant her
like her did his liberty Bond
Ha. Ha. Well Mama I wouldnt
make any difference if her did
for him knows her would put
it to a good use or her wouldnt
turn it loose would her honey

her had any more awful
like her did the other nite
wishes him was there
couldn't dream off and
that for you know
want to do with that don't
does her expect him to
a prize fighter on a
lot of Pi when her does
any. To while him is
honey him wants her
some one and find out
the matter that we
we the children I don't
whether it is her or him

but him believes it is her for
 her knows it dont never go just it & see
 right dont her honey. him means the
 dont go to the right place to have
 get what we want. But it goes to some
 the right spatch beautiful
 good god I wish I could try
 it right now. dont you know been

 her such a foolish question then
 dont him. Well honey did storm
 and Eddie catch any fish the
 other day how is the wheel getting
 along honey is he getting any
 better or not has he ever heard
 from his compensation get on
 my thing about it they want
 government aint paying half.

of them Boys that are intitled to
 it & see quiet a bit about it in
 the N.Y. Papers about how they
 have fished the boys that is
 some of them at least. honey
 have you seen or heard any
 thing of my folks since I have
 been gone or not. honey when
 you goes to the Red cross to get
 them to write your letter tell them
 about Paw being crippled and
 on crutches. and that will
 help. honey I guess the red cross
 there in commerce would have
 to write to the red cross secretary
 of the red cross here at camp
 uptown. and have them put
 it through to the general.
